WEEKLY Roundup

It's been another busy week in school and I have given heaps of stickers to pupils for their brilliant work.

In the news this week;

- Polling day ran very smoothly—thank you for your support
- Year 6 got all toggged up for their Victorian Day on Monday. They learnt about what school was like in Victorian times and had a go at writing on slates and with ink pens. They all behaved well enough to not get the cane or wear the dunces cap!
- Family Learning—our friends at Family Learning are busy again and will be running a 'Spring Art & Craft Dreams' course online from Monday 31st May.
- Easter Raffle update—We raised a whopping £132.48 for school fund. Thank you to everyone who bought tickets and donated prizes. We had lots of lucky winners.

LAST DATE FOR ORDERS is MONDAY 10th MAY

Welcome to the Scholastic Spring Book Club! We are not having a Book Fair this term so instead your child is bringing home a leaflet for you to look through. There are exciting new titles and many at pocket money prices. A 'unique school link' to Scholastic Digital Book Club has been set up for your convenience:

<https://schools.scholastic.co.uk/luddenden-dene-jnr-infnt/digital-book-club>

The easiest way to purchase books is to use this link, you can also browse the books here, then add them to the School Group Order and pay securely online.

Every order over £10 earns 20% back in Free Books for the school!

Unfortunately, after over a year, the **last weekly food parcels will be given at the end of May**. Gill and her gang have done an amazing job getting such a great selection of food plus all sorts of treats such as selection boxes and Easter eggs. We know it's made a big difference to lots of families.

Luddenden CE School has two overarching rules;

1. Keep everybody safe
2. Keep everybody happy

These two rules cover pretty much everything and help maintain good order, effective learning and positive relationships.

Our Behaviour Policy (which can be found on our website) describes in detail how behaviour is managed. The current situation regarding COVID-19 has means that it is very important that all our pupils behave safely and appropriately, therefore we have updated our behaviour expectations. These are designed to be clear, reasonable, and proportionate, and to support the protective measures in place with regards movement and hygiene.

ADDITIONAL BEHAVIOUR EXPECTATIONS DURING CORONAVIRUS

In the interests of infection control, social distancing and keeping each other safe, children will need to behave slightly differently now they have returned to school. There are new systems, routines and expectations that they need to adhere to. We acknowledge that after such a long time some children may find it hard. Pupils will be supported to reintegrate back into school life through the curriculum, and pastoral provision.

As well as following our existing Behaviour Policy, pupils are be expected to;

- follow any altered routines for arrival or departure
- follow school instructions on hygiene, such as hand-washing and sanitising
- follow instructions on who pupils can socialise with at school
- move around the school as per specific instructions (for example, one-way systems, out of bounds areas, queuing)
- follow expectations about sneezing, coughing, tissues and disposal ('catch it, bin it, kill it') and avoiding touching their mouth, nose and eyes with hands
- tell an adult if they are experiencing symptoms of coronavirus (COVID-19)
- follow rules about sharing any equipment or other items including drinking bottles
- follow expectations about breaks or play times, including where they may or may not play
- use the toilets as directed
- try to maintain social distancing as appropriate for their age
- behave appropriately towards adults and each other

Pupils must not;

- cough or spit at or towards any other person
- ignore or refuse to follow adult instruction
- leave the classroom or school building without permission

Any breach of these behaviour principles can compromise the health and safety of other members of the school family and could result in fixed term exclusion and/or permanent exclusion.
