Data Collection

THANK YOU FOR ALL WHO HAVE RETURNED DATA COLLECTION SHEETS SO FAR, PLEASE KEEP THEM COMING IN. It is **ESSENTIAL** that **information** we hold in school for your child/children is **ACCURATE AND UP TO DATE**. We cannot stress how important it is that you inform school of any allergies and medical conditions (i.e. nut allergies and asthma) and provide an EpiPens/inhalers to school for such allergies. Please check and make any amendments, then sign and return to the school office (even if there are no changes) in the same envelope it has been sent home in.

IMPORTANT INFORMATION REGARDING SCHOOL TIMES AND CHILD ABSENCE

We would like to remind parents/carers that school gate opens at 8:45am ready for the school day to start at 9.00 am prompt.

It is imperative that children arrive at school on time as important lessons and learning start as soon as the children come into school.

Please note that if your child arrives later than 9.20 am then they lose their mark for the whole morning. If your child is going to be absent for any reason it must be reported to school as soon as possible. Preferably near to or before. 9.00 am. You can leave a voicemail on 01422 886353.

Calderdale guidelines state that if a parent has not reported an absence then we MUST do the following:-

- Text parent/guardian
- Ring contacts in priority order on data sheet
- Text again
- IF NO RESPONSE TO THE ABOVE BY **9.45 AM** - Visit home

DO YOU KNOW?

Please check with the office if you think you might be eligible for Free School Meals. Even if your child gets infant free meals or they don't want school dinners! It sounds daft but for every child registered for free school meals we get over £1,300 extra, every year they are in school. This means we can pay for additional staff to work with children, buy extra resources/equipment and help out with subsidising uniform, trips etc.
