

Remote Learning Year 3

Dear Parents' and Carers,

Welcome to the Year 3 Remote Learning page. Even though we are unable to work in school, it is important that your child is still able to learn.

Below you will find some activities for your child to complete, similar to those we would be doing in class. Please do the work in your homework book. Please take photos of your topic work and email them.

Please complete **1 English, 1 Maths and 1 other subject each day**.

Monday to Wednesday, Mrs Dixon will be available to support you and your child via email or telephone.

English

Week 1

Monday- Write a diary entry to describe how you felt returning to school.

Tuesday -Write a book review about **Fing**, or another book you have read.

Wednesday -Write a letter to a friend to describe what you have been doing whilst in isolation.

Week 2

Monday- Draw a picture of a main character of a story. Describe what the main character looks like and what they are like. Use as many descriptive words as you can.

Tuesday - Wednesday -Write a story about our planet. Think about our class book **We are here** to help. (This can be written over a few days.)

Reading- Please read your reading book daily.

Spellings- Please practice your Year 3/4 words in your homework book.
