Welcome to the Year 3 Remote Learning page. Even though we are unable to work in school, it is important that your child is still able to learn.

Below you will find some activities for your child to complete, similar to those we would be doing in class. Please do the work in your homework book. Please take photos of your topic work and email them.

Please complete **1 English, 1 Maths and 1 other subject each day.**

Monday to Wednesday, Mrs Dixon will be available to support you and your child via email or telephone.
