## WEEKLY Roundup

Highlights of this week include; super skills in PE, wonderful kindness, very neat handwriting and professional art work!

In the news this week;

- All our KS2 teachers visited Beecroft Primary School—our Outstanding partner school in Leeds. They learnt about their outstanding curriculum, behaviour and pupils’ work and came back buzzing with ideas on how to make our school even more brilliant. Watch this space for a new exciting writing project after half term
- Edie was awarded a kindness certificate for rescuing a bluetit from a cat’s jaws! She took it in, nurtured it back to good health and enjoyed seeing it fly off back into the wild fully recovered.
- Mrs Serrant-Fontaine is busy doing a full review of pupils’ behaviour. On the whole, children behave very well in school but we will be making a few tweaks to our policies and practice in the coming weeks to ensure that we reach the very highest standards of behaviour for every child. Thank you in advance for your support with this—we will keep you posted with any updates.

## IMPORTANT MESSAGE

### SCHOOL MEALS – MONDAY 7TH JUNE 2021

Due to unforeseen circumstances, **we are unable to provide a hot meal on Monday 7th June.** This means we are unable to provide a meal for anyone who usually pays for a school meal. However, a school packed lunch will be available for pupils on free school meals and for pupils in Reception, Year 1 and Year 2 as they are entitled to universal infant free school meals. The packed lunch will consist of a sandwich (tuna mayo/cheese/ham), a piece of fresh fruit, a packet of crisps and a cereal bar. **If your child is entitled to a meal but you do not wish to have a school packed lunch provided on this day, please let the office know urgently so we know how many children we need to cater for.**

We apologise for this disruption and thank you for your understanding.

Sharon Parker

### REMINDER ABOUT UNIFORM

We like to keep looking as smart as possible but seem to have quite a number of children coming to school not in uniform. Please make sure your child wears the correct uniform. Thanks!

**HAPPY BIRTHDAY**

These children will all receive special stickers.

Luddenden CE School has two overarching rules;

1. Keep everybody safe
2. Keep everybody happy

These two rules cover pretty much everything and help maintain good order, effective learning and positive relationships.

Our Behaviour Policy (which can be found on our website) describes in detail how behaviour is managed. The current situation regarding COVID-19 has means that it is very important that all our pupils behave safely and appropriately, therefore we have updated our behaviour expectations. These are designed to be clear, reasonable, and proportionate, and to support the protective measures in place with regards movement and hygiene.

### **ADDITIONAL BEHAVIOUR EXPECTATIONS DURING CORONAVIRUS**

In the interests of infection control, social distancing and keeping each other safe, children will need to behave slightly differently now they have returned to school. There are new systems, routines and expectations that they need to adhere to. We acknowledge that after such a long time some children may find it hard. Pupils will be supported to reintegrate back into school life through the curriculum, and pastoral provision.

As well as following our existing Behaviour Policy, pupils are expected to;

- follow any altered routines for arrival or departure
- follow school instructions on hygiene, such as hand-washing and sanitising
- follow instructions on who pupils can socialise with at school
- move around the school as per specific instructions (for example, one-way systems, out of bounds areas, queuing)
- follow expectations about sneezing, coughing, tissues and disposal ('catch it, bin it, kill it') and avoiding touching their mouth, nose and eyes with hands
- tell an adult if they are experiencing symptoms of coronavirus (COVID-19)
- follow rules about sharing any equipment or other items including drinking bottles
- follow expectations about breaks or play times, including where they may or may not play
- use the toilets as directed
- try to maintain social distancing as appropriate for their age
- behave appropriately towards adults and each other

#### **Pupils must not;**

- cough or spit at or towards any other person
- ignore or refuse to follow adult instruction
- leave the classroom or school building without permission

**Any breach of these behaviour principles can compromise the health and safety of other members of the school family and could result in fixed term exclusion and/or permanent exclusion.**
