WEEKLY Roundup

It's been another busy week in school and I have given heaps of stickers to pupils for their brilliant work.

In the news this week;

- Polling day - our school will be being used as a polling station on Thursday 6th May. This means voters will be using the car park. Please try to avoid this area if you can. Children who enter school via the car park will be allowed access to school upon arrival rather than having to wait to get in.
- We are pleased that we can begin to offer after school clubs again. There will be limited numbers to start with but we already have Gardening Club up and running, with Go Kart and Games Club on the way. Watch out for some more after school clubs coming soon.
- Safety alert—Please remember that parents should not be using the school car park.

REQUEST—Mr Lewis & the Go Kart Club would like to ask for donations of old wood, wheels and 'stuff' that they could put to good use making their go karts. Thank you in advance!

SCHOLASTIC

Book Club

Welcome to the Scholastic Spring Book Club!

We are not having a Book Fair this term so instead your child is bringing home a leaflet for you to look through. There are exciting new titles and many at pocket money prices.

A 'unique school link' to Scholastic Digital Book Club has been set up for your convenience:

<https://schools.scholastic.co.uk/luddenden-dene-jnr-inft/digital-book-club>

The easiest way to purchase books is to use this link, you can also browse the books here, then add them to the School Group Order and pay securely online.

Every order over £10 earns 20% back in Free Books for the school!

WE
LOVE
READING!

Unfortunately, after over a year, the **last weekly food parcels will be given at the end of May**. Gill and her gang have done an amazing job getting such a great selection of food plus all sorts of treats such as selection boxes and Easter eggs. We know it's made a big difference to lots of families.

Luddenden CE School has two overarching rules;

- 1. Keep everybody safe**
- 2. Keep everybody happy**

These two rules cover pretty much everything and help maintain good order, effective learning and positive relationships.

Our Behaviour Policy (which can be found on our website) describes in detail how behaviour is managed. The current situation regarding COVID-19 has means that it is very important that all our pupils behave safely and appropriately, therefore we have updated our behaviour expectations. These are designed to be clear, reasonable, and proportionate, and to support the protective measures in place with regards movement and hygiene.

ADDITIONAL BEHAVIOUR EXPECTATIONS DURING CORONAVIRUS

In the interests of infection control, social distancing and keeping each other safe, children will need to behave slightly differently now they have returned to school. There are new systems, routines and expectations that they need to adhere to. We acknowledge that after such a long time some children may find it hard. Pupils will be supported to reintegrate back into school life through the curriculum, and pastoral provision.

As well as following our existing Behaviour Policy, pupils are be expected to;

- follow any altered routines for arrival or departure
- follow school instructions on hygiene, such as hand-washing and sanitising
- follow instructions on who pupils can socialise with at school
- move around the school as per specific instructions (for example, one-way systems, out of bounds areas, queuing)
- follow expectations about sneezing, coughing, tissues and disposal ('catch it, bin it, kill it') and avoiding touching their mouth, nose and eyes with hands
- tell an adult if they are experiencing symptoms of coronavirus (COVID-19)
- follow rules about sharing any equipment or other items including drinking bottles
- follow expectations about breaks or play times, including where they may or may not play
- use the toilets as directed
- try to maintain social distancing as appropriate for their age
- behave appropriately towards adults and each other

Pupils must not;

- cough or spit at or towards any other person
- ignore or refuse to follow adult instruction
- leave the classroom or school building without permission

Any breach of these behaviour principles can compromise the health and safety of other members of the school family and could result in fixed term exclusion and/or permanent exclusion.
