

# LUDDENDEN CE SCHOOL

At the heart of Luddenden community, this Church of England primary school provides a safe, creative environment where children are inspired, enthused and equipped to fulfil their potential and go out into the world and make a difference; where individuality is embraced, talents unleashed and a love of learning is ignited.

In accordance with our guiding Christian values, the school is focussed on providing the very best for its community and shows this commitment by promoting an environment where we;

- trust and support each other to do our best
- inspire confident and independent learners
- make excellence the standard and reward success
- nurture health, self-respect and achievement
- celebrate difference, innovation and courage
- enjoy learning every day
